### PROFESSIONAL EXPERIENCE

**Ideal Siding Durham** | Durham, NC — Dec 2024 to Present

*General Manager & Owner*

- Delivered end-to-end project execution for every customer, maintaining 5-star satisfaction while scaling the business to $1M in revenue in 15 months at a 20% net margin.
- Earned a top-20% ranking among all Ideal Siding franchise locations within the first 15 months, competing from the Durham, NC market (metro population ~650K) against franchises in far larger metros and outperforming locations including New York, Houston, Dallas, Atlanta, Austin, Charlotte, Raleigh, Seattle, and Portland, OR.
- Managed complex stakeholder relationships across customers, suppliers, and field teams, coordinating up to 4 concurrent job sites with 3 crew leads overseeing ~15 field workers (1099 subcontractor crews) plus a 1-person W2 team.
- Built repeatable operational processes for estimation, scheduling, and delivery to drive efficiency and customer satisfaction.

**Given Property** | Raleigh, NC — Jan 2019 to Present

*Owner & General Manager*

- Managed delivery of complex projects across a 6-property portfolio, including a $60K capital-expenditure renovation completed on budget.
- Coordinated vendors and stakeholders to sustain operational performance and asset value.

**NGINX (Acquired by F5, May 2019)** | San Francisco, CA (Remote) — Apr 2020 to Dec 2024

*Customer Success Manager III, Named Strategic Accounts*

- Owned customer success for marquee Fortune 500 accounts including Comcast, Kaiser, Toyota, Starbucks, Anthem, HP, American Airlines, Disney, and AT&T, managing books up to $16.5M annualized.
- Exceeded retention and growth targets every fiscal year: FY20 141%, FY21 229%, FY22 137%; earned Platinum Club 2021 (top 3% of reps company-wide).
- Co-founded and led the strategic-accounts CS team; defined responsibilities, built enablement materials, and mentored peers.
- Implemented Gainsight workflows and authored enablement content to improve CS activity tracking and health scoring across the team.
- Traveled on-site to customer environments to deepen product adoption, build executive rapport, and collaborate with Sales on large growth opportunities.
- Special Project / Stretch Assignment (through Jul 2023): Led migration of $40M ARR and ~2,000 renewals from CS to the Renewals Team; built processes that eliminated a "seeded deal" issue responsible for 15% of churn, designed RACIs/workflows for ~200 people, and ran training and office hours to onboard a 75-person global team.
