PROFESSIONAL EXPERIENCE

Ideal Siding Durham & Chapel Hill | Durham, NC — Dec 2024 to Present

General Manager & Owner

- Scaled a new two-territory franchise to $1M in revenue in 15 months at a 20% net margin, ranking in the top 20% of ~75 Ideal Siding locations with 5-star customer satisfaction, while directing up to 4 concurrent job sites through 3 crew leads and ~15 field workers.
- Invited as one of 4 franchisees (of ~75) to present at Ideal Siding's 2026 Annual Conference on using AI to automate and improve operations.
- Built a multi-tenant quoting platform with role-based access using Claude, deployed on Railway via GitHub; use it weekly for every quote, and five other franchise locations have onboarded.
- Built and operate an agentic AI marketing system that tailors copy per platform, generates before/after graphics in Python, and publishes to six channels (Facebook, Instagram, LinkedIn, Nextdoor, two Google Business Profiles) with approval gates and automated verification.
- Launched zero-spend AI lead generation: an automated referral-partner program (researches 10 partners a week, runs email outreach on a 3/7/21-day cadence, reports to a live dashboard), listings on 8+ directories, and a monthly audit of how ChatGPT and Copilot rank the business for local searches.

Given Property | Raleigh, NC — Jan 2019 to Present

Owner & General Manager

- Managed delivery of complex projects across a 6-property portfolio, including a $60K capital-expenditure renovation completed on budget.
- Coordinated vendors and stakeholders to sustain operational performance and asset value.

NGINX (Acquired by F5, May 2019) | San Francisco, CA (Remote) — Apr 2020 to Dec 2024

Customer Success Manager III, Named Strategic Accounts

- Owned customer success for marquee Fortune 500 accounts including Comcast, Kaiser, Toyota, Starbucks, Anthem, HP, American Airlines, Disney, and AT&T, managing books up to $16.5M annualized.
- Exceeded retention and growth targets every fiscal year: 141% in FY20, 229% in FY21, 137% in FY22 (668% in Q1); earned Platinum Club FY20 (top 3% of reps company-wide).
- Co-founded and led the strategic-accounts CS team; defined responsibilities, built enablement materials, and mentored peers.
- Implemented Gainsight workflows and authored enablement content to improve CS activity tracking and health scoring across the team.
- Traveled on-site to customer environments to deepen product adoption, build executive rapport, and collaborate with Sales on large growth opportunities.
- Special Project / Stretch Assignment (through Jul 2023): Led migration of $40M ARR and ~2,000 renewals from CS to the Renewals Team; built processes that eliminated a "seeded deal" issue responsible for 15% of churn, designed

RACIs/workflows for ~200 people, and ran training and office hours to onboard a 75-person global team.
